

"When I enrolled at CAE for the Advanced Diploma of Yoga Teaching course, I saw an opportunity to take my yoga practice to the next level and a potential career change. The course not only fulfilled my goals – it went far beyond. I am very thankful and feel truly privileged for these almost two years of studying with such knowledgeable, authentic and joyful teachers and with (my) peers who have been a profound source of inspiration and transformation. Namaste."

Alexandra, current Advanced Diploma of Yoga Teaching student
